Attention all clubs:

Data Collection Form

Club Uniform

It was decided, at a meeting of the PCAQ Management Committee that we should keep extra records about club uniform. Already we have a register of your club shirt, tie and pullover (*sleeved or sleeveless*) and now we are going to keep a record of your jodhpurs and saddlecloth. This information will be published in the 2007 Admin Handbook under the section called "Club Uniform".

Incorporation

The Committee has also decided to keep a record of each club's incorporation numbers. While we're collecting data, this seems to be a good time to gather this number as well.

So accurate records can be kept, please complete the following information and return the form to PCAQ as soon as possible.

Club Name: _____

Jodhpur colour: _____

Saddlecloth colour: _____

Is your club incorporated? Yes / No

If so, what is your Incorporation number: IA _____
