Expressions of Interest are called for PCQ Tetrathlon Working Group

The executive committee is seeking expressions of interest from those interested in being part of this working group. The Tetrathlon Working Group is being set up to promote Tetrathlon throughout the state and to oversee and establish guidelines for clubs and participants. It is envisaged that in the future this working group will develop into a PCQ sub-committee.

While it would be beneficial to have some experience in Tetrathlon, it is not a prerequisite and all interested in nominating for the working group will be considered.

It is anticipated that the working group will meet prior to the sub-committee meetings held immediately before the Management Committee meetings at PCQ.
