**Secretary's Report**

We had a big downpour overnight which left the grounds wet, however the dressage arenas drained well. No incidents for the day, which was hot, humid and sunny. Lots of personal bests. The day ran smoothly and finished up mid-afternoon.

**TD Report - Jo-Anne Reeves**

Grounds were damp from downpour overnight, however cones were utilised to keep unsafe areas blocked.

Arenas were safe, warm-up area was safe. No falls.

Riders well presented., Clubs well represented. Overall a good day.
