TD Report - Natalie Anstey

We started with a little concern regarding the light rain that greeted us in the morning, however, the skies were smiling all judges only had to use their windscreen wipers for a minimum of 30 or so minutes.

All riders presented themselves accordingly for the conditions. We had to run with just the two Dressage tests to keep within the time frame of the day to include the Combined Training aspect. This went well, but of course there was a back-up with the scoring at the end of the day. The girls in the scoring did a fabulous job, only a couple of hiccups with the different heights for the new Seniors rule. There was only one incident with a fall of rider, nothing to be concerned about at all.

Regarding the scores, I was happy that all was fair and within the guidelines. I was happy with the outcome of the day and minor hiccups were sorted ASAP.
