## Report: Nambour PC Official Showjumping 4<sup>th</sup> -5<sup>th</sup> February, 2017

Our showjumping weekend was very busy with 84 riders for Equitation and 153 horse/rider combinations for showjumping. Our club utilised the online nomination process and found that it was a fantastic success, making the whole process so much easier for the organisers. We encourage all clubs to investigate this option as we felt it ran very smoothly.

The weather was extreme, with temperatures soaring above 40 degrees. It was pleasing to see all of the young participants taking good care of their horses and themselves by staying hydrated.

Both Equitation and Showjumping ran over three rings and we thank our course builders Ken Jensen, Geoff Langbecker and Frank Feldman for beautifully designed courses. Our judges for Equitation were Lyndal Roos, Sarah Feldman, Beryl Burkhardt, Sharne Andrew, Janelle Blavius and Natalie Anstey. Judges for Showjumping were Lyndal Roos, Rob Graham and Janelle Blavius. We wholeheartedly thank these kind and knowledgeable people who took time from their weekend to enable the kids to ride and qualify.

Our Equitation day ran very well and we thank all of the judges for their encouraging and constructive remarks on rider scoresheets. Finding pencilers for Equitation can be a challenge and we also thank those members of our club, along with members from other clubs who stepped forward to help.

Showjumping on the Sunday also ran very well but due to high numbers was a very long day. It must be noted that there seems to be a consistent reluctance from Pony Club parents to enter the ring to pick up rails and help with the rebuilding of courses. This is disappointing, particularly as some of our course builders and judges are many years older and in some cases less able to cope with the physical aspect of these tasks than the younger parents. Our concern is that the vital knowledge, skill and experience of these course builders and judges may be lost due to the heavy workload they are being forced to endure when parents don't help.

Our thanks also goes to Tracey Salter from Gympie club who travelled down to be our first aid officer for the day and thankfully she was not needed, with no serious incidents noted during the event.

Overall the weekend ran very smoothly and without incident thanks to the small band of willing NPC members who worked as volunteers, as well as the parents and riders who were quite organised.
