

PONY CLUB

QUEENSLAND

PUBLICITY OFFICER FOR PONY CLUB QUEENSLAND

At the close of nominations for positions on the PCQ executive committee, one nomination was received for all positions except the position of Publicity Officer.

The executive committee requests that you canvas any person in your club that you consider may have the expertise and time to fulfil the requirements of the position. It will be necessary for this person to be able to assist with producing the online newsletter, and the hard copy version. The publicity officer will be required to liaise with current sponsors and to seek out new sponsorship deals for the association. The executive committee generally meets once a month at the PCQ office and then there is generally a phone meeting in between each face to face meeting.

If you know someone who you think can fulfil these requirements please get them to contact the office with a view to nominating for the position.
