Secretary's Report - Lisa Holland

Our showjumping weekend was very busy with 78 riders for Equitation and 125 horse/rider combinations for showjumping.

The new height classes seemed popular with 17 riders in the 12 & Under (70cm) Class, 28 riders in the 13-26 Year (70 cm) class and 15 riders in the 13-26 Year (80cm) class. We chose not to run any unofficial classes as we have a limited workforce and were concerned about over committing with too many classes.

The weather was not ideal with intermittent heavy rain on Saturday and light showers on Sunday, however the ground held up very well and all riders rode to the conditions which was pleasing to see.

Both Equitation and Showjumping ran over three rings and we thank our course builders Ken Jensen, Geoff Langbecker and Keith Gray for beautifully designed courses.

Our Equitation day ran very well and we thank all of the judges for their encouraging and constructive remarks on rider scoresheets. Finding pencillers for Equitation can be a challenge and we also thank those members of our club, along with members from other clubs who stepped

forward to help.

Showjumping on the Sunday also ran very well and we were fortunate to have many parent helpers step in throughout the day pencilling, gate stewarding and picking up rails, helping to make the day run extremely smoothly. Large numbers can be a challenge but riders were well prepared and on hand when needed which helped the gate stewards to do their jobs.

Thanks must also go to Tracey Salter from Gympie club who travelled down to be our first aid officer for the day and thankfully she was not needed, with no serious incidents noted during the event.

Rob Graham and Danny Marr were gear checking throughout the day and most people seemed to have a good understanding of the gear which is allowable.

Q2 There was a significant delay at the end of the day for showjumping as the scoring office had a huge amount of cards to write out and it is the opinion of our committee that updating performance cards will be a major challenge for clubs running official events. Our records indicate that at the last graded event Nambour held (October 2015), there were 23 cards to be updated at the end of the day, compared with approximately 125 cards at this event.

On the subject of cards, our thanks and gratitude goes to Margie Davidson of PCAQ as she worked tirelessly up to our event to issue as many performance cards as possible to riders.

The only negative occurrence at the event was the unfortunate theft of gear from one of the riders who had been stabled on the grounds overnight. The thief had targeted high value; expensive riding gear and left comparatively inexpensive items behind, leading us to the unsavoury believe that the items were stolen by a fellow pony club member. Police were called to the ground and reports made by several members whom we had hoped would be of some assistance in the police however, to date the items have not been located.

Overall the weekend ran very smoothly and without incident thanks to the many willing volunteers, as well as the parents and riders who were quite organised.

At Nambour Showjumping, Emily Graham, Bree Wiblen, Annabelle Graham, Chelsea Jefferies, Tahalia Pearce & Jasmine Holland
