

Presenting Parkview Lady - Galloway Schoolmistress

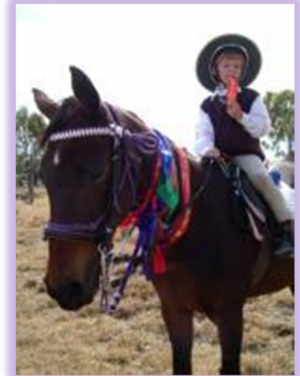

Roxanne has been with us for the last 4-5 years and has taken my now 10 yr old son from lead-line as a 6 yr old to a confident independent rider, being competitive in several disciplines. A real "Been there-Done that" type, with years of Pony Club experience under her belt. Will only be sold to a suitable & knowledgeable family.

Roxanne is a genuine mare, very trustworthy and reliable being able to be completely handled by my son from being caught in the paddock to loading onto the float and every aspect of horse handling in-between. She has a lovely nature and is easy to do anything with. Acts more like a gelding with NO mare nonsense.

Roxanne has been campaigned during 2010 & 2011 at both Dressage Days and Gymkhana's with pleasing results in each discipline- a tribute to her true versatility. She has brought home many ribbons and trophies from these events which has, in turn developed the confidence and skill of her young rider. Results are available to genuine buyers only (Dressage score sheets & sporting cards). Roxanne has also attended Jumping clinics and Schools with Clem Smith and Brett Cantel over the last 2 seasons. Jumped 2011 Gymkhana season-60-70cm-no refusals.

Roxanne is fantastic to ride amongst a group of horses and is also able to be ridden out by her-self without any worry. Great on Trails- no shy, pull or excitement. Completed the 20km PCAQ 50th Anniversary trail ride in 2009. In the paddock, she is easy going and gets along well with all paddock mates – not a bossy type. She is great for the farrier too and has wonderful little feet that only need regular trims. Roxanne is current and up to date with worming and vaccinations. She is a healthy, fuss free horse who is an easy keeper, uncomplicated and a pleasure to have around. Vet inspection most welcome at your expense.

Reluctant Sale but Rider has moved onto a new mount.

Roxanne will be sold only to the best of horsey homes. I want to ensure that Roxanne's next rider/owner will be suitable for her & have years of enjoyment with her as we have done. Roxanne will come with a wardrobe of rugs, work bridle & bits.

Payment Plans may be considered.
