Judges: Vickie Smyth, Geoff Langbecker

Course Designers: Brendon Gardiner, Geoff Langbecker

TD: Don Nixon

Official and Unofficial Showjumping held in September 2011.

This was a good day and well organised and by the Samford Golden Valley Pony Club and well supported by their members. The organising committee is new to organising official Showjumping events but they are quick learners who were prepared to seek advice.

The day went very well though it was a relatively late finish because all groups did the Grand Prix which was quite slow for the younger riders.

Geoff Langbecker did his usual excellent job with a course in ring number one where he also judged with absolutely no problems whatsoever. Geoff is an excellent course builder and judge.

Brendan Gardiner from the Burpengary club in zone 26 was the course builder in ring number two and did a really good job. He is keen to learn and his courses showed imagination and he was very quick to pick up on building better and more rideable corners. I hope he continues on as a course builder as he shows really good potential to build at any level and we should give him any encouragement we can.

Judge in ring two was Vickie Smyth who is judging was up to the usual high standard we have come to expect from her. She is considerate of the riders and works well with them. We had absolutely no problems in her ring.

All competitors and parents seem very happy with the day and I would be happy to recommend that Samford Golden Valley be approved for any event which they apply to run.
