3. Roma
4. Zone 6 Gold
5. Zone 26C
6. Pool Team A
7. Zone 26B
8. Chinchilla
9. Pool Team B

STATE MOUNTED GAMES REPORT

It was nice to see that they had put on fine weather. The grounds were good and held up well for the Mounted Games after 2 days of competition.

Thank you to Dennis Dickman (not knowing anything about Mounted Games) and all the stewards - it was a job well done. To the families that fitted the Mounted Games gear in their vehicles along with their horses and gear. Thank you.

Getting the first game under way seems to take time, but once started, things ran smoothly. Unfortunately there were a couple of falls and the games were held up, but the riders, who were unable to continue with the competition, were okay.

31 Junior teams and 10 senior teams were very good nominations. This took approximately 1 hour per event to run. Thank you to the riders for their good sportsmanship and keeping the program on the move. Ben Rubesaame, as per usual, kept the events moving and games set up. His support is very much appreciated.

Thank you to the judges who we had, for the first time, in watching the order of teams across the line - Doug Dohle, Don Youles, Lyn Coombe and Beryl Burkhardt. This eliminated any question if times were right. A big thank you to Joy Weston.

Again, congratulations to Chinchilla on a great championships.

Also congratulations to Zone 21 for their junior and senior teams' winning efforts once again and also to Zone 5 for their run-off in the tie breaker to finish in 3rd place.

Merril Mawhinney
Judge in Chief
