Smart Sports Initiative

The Smart Sports initiative is a series of worksheets designed to enable clubs to improve Governance and Sustainability and to make management of Club affairs easier and ongoing.

It is a three step process as follows:

Step 1 - Interested Clubs complete the Smart Sports Self Assessment Checklist

Step 2 - From the Checklist, Clubs choose the items that they wish to include in and complete the Smart Sports Action Plan

Step 3 -Any likely reference material needed to achieve this can be accessed through the Smart Sports resource Kit.

Included is a “How to use Smart Sports” guide and the resource kit refers to the best available reference sources in Australia and not just limited to Queensland.

The initiative can be accessed through the PCAQ Website at www.pcaq.asn.au or PCAQ can email it to you or provide it on a CD.

If you need any further information or assistance just let us know.
